

Spartan Football Gridiron Greats Memorial Golf Tournament

The Connersville High School Football program in conjunction with the Connersville Quarterback Club would like to honor Spartan Gridiron Warriors that have passed on. This is an invitation to anyone with a loved one that played and has passed to have the former player's name placed on a banner. The banner will be displayed at our annual fundraising golf tournament and after the tournament put on display at Spartan Field for all varsity home games.

Our hope is to build a connection between past and present. It is our duty to remember those that gave their best week after week for love of school, teammates, and the game. Everyone's football experience is their own but the effort and sacrifices made by players is shared by all. We want to provide loved ones the opportunity to celebrate their gridiron memories with those of us that are blessed enough to have another Friday night under the lights.

If you would like to add your loved one's name to this banner, or have any questions related to this email Coach Kelly at akelly@layette.k12.in.us In your email please provide player's name, jersey number, and years they played for CHS.
